Present: Councillors: Bullock, Cohen, Clemo, Hawken, Lanxon, Lingham, Preece (Chair), Stephens, Taylor, Thompson and Whitehouse.

In attendance: Sara Gwilliams (Deputy Town Clerk), Steve Skinner (Operations Manager).

CC/26/36 Apologies for absence

Apologies for absence were received from Councillors Hamilton, Nott and Young.

Councillors Lingham and Thompson advised that they needed to leave the meeting at 7pm.

Councillor Bullock arrived to the meeting

CC/26/37) Declarations of Interest

Councillor Preece declared an interest in agenda item 7 (Small Grants Scheme) (St Austell Community Land Trust Ltd) by virtue of being a Member of the Labour Party and knowing a number of the Directors and Steering Group Members of the Trust.

CC/26/38) Dispensations

None.

Councillor Lanxon arrived to the meeting

CC/26/39) Minutes of the Meeting held on 6th July 2026

It was **RESOLVED** that the minutes of the meeting held on the 6th July 2026 be signed as a correct record.

Arising from the above, the Chair advised that at the last Council meeting it was suggested that the Police be invited to attend Town Council meetings on a quarterly basis and suggested that the Community and Environment Committee would be a suitable meeting for them to attend.

It was **RESOLVED** that the Police be invited to attend the Community and Environment Committee on a quarterly basis to provide an update on Policing matters in St Austell.

CC/26/40) Matters to Note

The Deputy Town Clerk advised that the Town Council's response to the Public Spaces Protection Order has been submitted to Cornwall Council (Minute No: CC/26/25) and an invoice is awaited in respect of the Town Council's agreed contribution towards the Cornwall Destination Agenda (Minute No: CC/26/28). The Deputy Town Clerk added that the Poltair Café tenant finished on Friday 11th September and the new tenant will take over in October half term. The new tenant is hoping to re-brand the café and the Town Council will assist with the marketing/PR.

CC/26/41) Public Participation

None.

CC/26/42) Small Grants Scheme

In order to assist the member of the public present, the Chair agreed to bring the following item forward.

St Austell St Piran's Event

The Deputy Town Clerk advised that since the application was submitted to the Town Council, additional funding totalling £400 has been awarded by two of the three Cornwall Councillors. Ms Fox provided a short presentation on the event planning so far. Members agreed unanimously that the St Piran's Event should be supported due to the positive impact it has on the community learning about Cornish culture/music and the town centre businesses.

It was **RESOLVED** to award a grant in the sum of £500 to St Austell St Piran's Event towards the cost of putting on the 2027 St Piran's Event.

Cornwall Performing Arts CIC

The Deputy Town Clerk advised that the Town Council has supported the St Austell Zombie Walk and Halloween Workshop in previous years and that the BID is providing the publicity and security support for this year's event. During discussion, Members expressed concern that the Market House is not fully accessible and no other financial contribution have been secured. Members expressed their support for the event but agreed that unless the whole event is fully accessible in future years, this would be the last year a grant is awarded. Members noted the request for £550 but agreed a grant of £250.

It was **RESOLVED** to award a grant in the sum of £250 to Cornwall Performing Arts CIC towards the cost of putting on the 2026 Zombie Walk and Halloween Workshop.

St Austell Library Support Association (SALSA)

The Deputy Town Clerk advised that SALSA is a self-funding support association for the library who enable most of the events that take place by providing funding and volunteer support. The funding requested is for fold away benches that can be used for various workshops and events which would make it easier for the volunteers to manoeuvre and set up as the current chairs are quite heavy.

It was **RESOLVED** to award a grant in the sum of £250 to St Austell Library Support Association towards the cost of purchasing fold away chairs.

Councillors Cohen, Hawken and Preece declared an interest in the next item by virtue of being members of The Labour Party and left the meeting

Councillor Stephens assumed the Chair

St Austell Community Land Trust Limited

The Deputy Town Clerk advised that St Austell Community Land Trust Limited has been set up with Noah Law MP as the Director and Chair. The aim of Land Trust is to create affordable housing for local working people and families in the town and that the funding requested is for Phase 1 of a 3-Phase plan. The Deputy Clerk advised that the Town Clerk has written separately to the MP's office to advise that the Town Council would be unable to enter into a Community Share Agreement as it conflicts with Government guidance to local Councils on the security and liquidity of investments.

During discussion, general support was expressed for the project and a suggestion was put forward that the grant application is referred to full Council to consider a larger grant.

A proposal to refer the application to full Council was not seconded.

It was **RESOLVED** that a grant in the sum of £250 be awarded to St Austell Community Land Trust for funding towards their Phase 1 project at Truro Road.

Councillor Whitehouse abstained from voting on this item

Councillors Cohen, Hawken and Preece returned to the meeting

Councillor Preece, reassumed the Chair

CC/26/43) The House

The Deputy Town Clerk advised that the Town Clerk has successfully negotiated acceptable Heads of Terms with Cornwall Council for the transfer of The House to the Town Council and Solicitors have been instructed.

The Terms agreed include a clause that enables Cornwall Council to re-coup 2.5% of the cost of the repairs and maintenance of the surfaced access area to The House from the Town Council. Members expressed their gratitude to the Town Clerk for negotiating this element of the Heads of Terms to a more acceptable position.

The Town Council's Solicitors are awaiting the draft lease from Cornwall Council's Solicitors.

CC/26/44) Remembrance Day Parade and Church Service – Sunday 8th November 2026

The Deputy Town Clerk provided an update on the event planning so far for the Remembrance Day Parade and Church Service. She advised that this year's route has been jointly agreed with the Royal British Legion which will see the parade start and finish and St John's Methodist Church. The church service this year will be jointly facilitated by Holy Trinity Church and St John's Methodist Church and held at St John's Methodist Church because of its greater capacity. The Town Council will publicise the changes nearer the time.

CC/26/45) CCTV Statistics

The Deputy Town Clerk provided an update on the CCTV service, the mobile camera and the funding obtained from the OPCC.

She explained the technical difficulties with regard to the installation of additional cameras at Polkyth but hoped a resolution will be found soon.

It was **RESOLVED** to note the CCTV statistics for the period January 2026 to August 2026.

CC/26/46) Climate Action Plan

Members reviewed the updated Climate Emergency Action Plan 2026 and raised the following matters:

- The support/joint working with Climate Action St Austell (CASA)
- The potential for photovoltaics panels at Mount Charles Social Club
- The recent demonstration of battery operated strimmers
- When the Open Spaces Strategy will be reviewed

It was **RESOLVED** to note the updated Climate Action Plan.

CC/26/47) Projects Update

CCTV

During the summer months, the monitoring hours are almost 24/7. The winter monitoring hours will be in operation soon (if not already) which will see a slight reduction in the monitoring hours but the service provided remains a comprehensive one in comparison to other towns.

Youth Council

Four members of the Youth Council attended the last Community and Environment committee where funding was approved for bug hotels. The bug hotels have been received and are likely to be placed in school grounds and local parks. The next meeting of the Youth Council is due to take place on Tuesday 22nd September 2026. The Town Council's website has been updated to include agendas and minutes for the Youth Council meetings.

Anti-Social Behaviour

A number of youths are engaging in ASB across the town which is taking up a lot of time within the Police and Cornwall Council's Community Safety Team.

OPCC hotspot funding for the additional security guard hours will finish at the end of the month. A report is planned on the way forward for the Finance and General Purposes Committee at their meeting later in the month.

Grounds Maintenance

The grass cutting rounds have resumed after the dry spell as well as reactive jobs as and when they come up. An interim report on weed control will be produced for the October Council meeting. There is some bamboo encroachment at Linear Park onto some adjoining properties which will be removed in the autumn.

Events

The Deputy Clerk advised that the Proms in the Park event went well with lots of people suggesting that it could be an annual event.

Events being worked on include a Halloween event at the library, a schools Christmas concert at St John's Methodist Church, a potential craft event in the town centre for Christmas and a number of Christmas events at the library.

Trinity Street

The Trinity Street closure/one way system appears to be working reasonably well with queuing generally only at peak times. Another public update on the project from the contractors is due to be issued shortly. There is a dedicated liaison officer in White River Place to assist with queries. Members expressed concern about the safety of the exit from White River Place car park. The BID has advised that footfall appears to be down but Priory Car Park has not seen an adverse impact so far.

Library

The Heads of Term have been agreed but a part on the newly installed boiler has failed. The Clerk has agreed with Cornwall Council that once the boiler is working properly and a warranty has been received, the freehold transfer to the Town Council can proceed.

Poltair Park – Skateboard Park

An update on progress with this project will be reported to the Finance and General Purposes Committee later in the month.

Cornwall College

The Town Clerk and the Mayor are due to attend Cornwall College shortly to officially launch a project for Level 3 Art, Design and Photography Learners which tasks them with producing *"an original piece of contemporary artwork that communicates what St Austell means to its people and represents its identify within the Mayor's Chambers."*

CC/26/48) Dates of Meetings

It was noted that the next meeting of the Community Committee meeting is on Monday 19th October 2026 (if required) and 23rd November 2026.

The meeting closed at 7.15pm.

PART B

1. **Your organisation**

1st St Austell Rainbows and Brownie Unit is a dedicated Girlguiding unit that has been proudly serving young girls in our community for the past three years. Run by two qualified unit leaders based at Pondhu Primary School, our sessions offer a safe, inclusive space for girls to build confidence, learn new skills, and form lasting friendships.
Our unit was founded after school-wide research revealed that many local children were unable to access extracurricular activities. Recognizing that our catchment area faces

significant socio-economic challenges, we identified major barriers to participation, including financial constraints and a lack of transport. To ensure no girl is left out, we deliver heavily subsidised or entirely free sessions for families in financial hardship. We also eliminate upfront costs by providing uniforms free of charge. By hosting our unit directly at the primary school, we provide accessible, trusted, and barrier-free opportunities that empower local girls to thrive.

2. Purpose for which the grant is sought

Name of Organisation	1st St Austell Rainbows and Brownies Unit
Charity/company number (if applicable)	Charity No: Company No:
Are there any Members of St Austell Town Council on your Committee? (if so, please list them)	No
What are the aims and objectives of your organisation?	To provide an inclusive, safe, and empowering space for young girls in St Austell to build confidence, learn life skills, and form community connections through Girlguiding. We aim to ensure that no child is excluded from these developmental opportunities due to financial hardship or transport barriers.
Please demonstrate your organisation's commitment to equal opportunities (please enclose any relevant policies)	Our unit explicitly targets accessibility barriers to ensure full equal opportunity. By operating directly out of the local primary school, we ensure that children whose parents do not drive can still attend without requiring transport. Furthermore, we actively subsidise unit costs and cover fees for girls whose families face severe financial hardship in the Gover catchment areas, ensuring economic background is never a barrier to participation.
Project title:	Brownie Uniform Inclusion Project (St Austell Catchment)
Description of project (please continue on a separate sheet if necessary):	This project will fund the purchase of official Brownie uniforms for young girls in our unit who are unable to afford them. Operating directly from the local primary school in a low-income catchment area (including the Gover area and Park House flats), we support families who face severe financial and transport barriers. Many families cannot manage the upfront cost of the uniform. This grant will establish a dedicated "unit loan pool" of uniforms, ensuring that every girl has access to the standard attire free of charge. This directly removes financial stigma and makes sure every girl can participate equally.
How would this grant be of benefit to the community in St Austell? (please continue on a separate sheet if necessary):	Wearing a uniform provides our young girls with a strong sense of pride, community identity, and personal confidence. It is a powerful equalizer that erases socio-economic divides within the group. When our unit goes out into the St Austell parish for community events, educational trips, and outdoor activities, having a complete uniform makes these girls feel fully included, visible, and valued alongside their peers. By ensuring financial background is not a barrier to belonging, this project promotes social cohesion and emotional well-being for vulnerable children in our town's poorest catchment areas.

What arrangements do you have in place to ensure safeguarding of children and young people (applicable only if your project involves working with this client group).	Our unit strictly operates under **Girlguiding's national Safeguarding Policy and Procedures ('A Safe Space')**. We have the following robust arrangements actively in place to ensure the absolute welfare and protection of all young children in our care: • **Vetting and Recruitment:** Every adult volunteer, leader, and helper undergoes enhanced **Disclosure and Barring Service (DBS) checks** and rigorous reference screening before interacting with the children. • **Mandatory Training:** All unit leaders hold up-to-date, mandatory **'Safer Guiding' training** (A Safe Space levels 1–3), which covers recognizing signs of harm, reporting protocols, and digital safety. • **Supervision Ratios:** We strictly enforce Girlguiding's adult-to-child ratios at every weekly meeting and out-of-unit excursion. Leaders are trained to avoid any unsupervised, one-to-one contact with a young member. • **Reporting Protocols:** Any safeguarding concerns or disclosures are formally documented and reported within 24 hours directly to the Girlguiding HQ Safeguarding Team. If an immediate emergency arises locally, we report directly to the **Cornwall Council Multi-Agency Referral Unit (MARU)** in alignment with local authority best practices. • Additionally, our sessions take place in a secure school environment with controlled access. Myself and the other unit leader Emma Newnes also work in the school as TA/Teacher.

5. Publicity

Please explain how you will publicise and acknowledge the Town Council's grant.

We will proudly acknowledge the support of **St Austell Town Council** through the following channels:

- **Presentation to Council:** We would be absolutely delighted to attend a future Town Council meeting. The girls can give a brief presentation to the councillors to say thank you and show you the direct impact the uniforms have had on their confidence and inclusion.
- **Social Media:** We will publish a dedicated "thank you" post on our unit's parent Facebook / communication pages, tagging the Town Council and sharing photos of the girls receiving their new uniforms.
- **Community & School Updates:** We will include an acknowledgement of the grant in our updates to the primary school's newsletter, thanking the council for supporting families within the local school catchment.
- **Internal Unit Display:** We will mention the Town Council's support during our next unit meeting to show the girls and their parents how local community funding directly benefits them.

1. Your organisation

Name of Organisation	St. Blazey AOS
Charity/company number (if applicable)	Charity No: 1089885 Company No: NA
Are there any Members of St Austell Town Council on your Committee? (if so, please list them)	No
What are the aims and objectives of your organisation?	To promote the advancement and improvement of general education in relation to all aspects of the art of drama and musical theatrical performance and to build self-confidence for all in the local community
Please demonstrate your organisation's commitment to equal opportunities (please enclose any relevant policies)	The Society does not discriminate on the grounds of race, ethnic or national origins, gender, marital status, sexual orientation, age, disability, religious or political beliefs or socio-economic status. Copy of this Policy is already in your possession

PLEASE LEAVE THIS PAGE BLANK

2. Purpose for which the grant is sought

Project title:	"Ali Baba and the Forty Thieves"
Description of project (please continue on a separate sheet if necessary):	This new production will be the 76th in a long line of excellent and acclaimed productions. St. Blazey AOS has already either won or been nominated for several awards by both Cornwall Drama Association and the National Operatic and Dramatic Association. Auditions have already been held and the Society has a cast of previous well-known actors and young people who have been members of junior, senior chorus and dancers and are this year cast in principal roles, plus some new members. Rehearsals have already begun at the Keay Theatre and include the teaching the art of acting, singing, dancing, and comedy skills leading to a professional standard production in January 2027.The Society has the same award-winning production team, Director, Musical Director and Choreographer as in previous years. Rehearsals will continue throughout September, October, November and December and part of January culminating in the production at the end of January,
How would this grant be of benefit to the community in St Austell? (please continue on a separate sheet if necessary):	Although the Society is called St. Blazey Amateur Operatic Society its auditions, rehearsals and final production are taking place at the Keay Theatre, Tregonissey Road, St. Austell as it has done for the past 21 years. Prior to that productions were at St. Austell Arts Theatre, The Cornwall Coliseum, Poltair School and since the 1950's, The Capitol Cinema. The majority of the membership is drawn from St Austell and surrounding areas including a few from St. Blazey. One or two have even from Newquay, Bodmin and Lostwithiel.
What arrangements do you have in place to ensure safeguarding of children and young people (applicable only if your project involves working with this client group).	This Society has a Child Protection Policy together with Child Protection Procedures. Each parent is given a medical consent form to complete and there is a Code of Conduct between the child, parent/guardian and the Society. These policies are re-assessed and updated where necessary on an annual basis. The Society also has registered Chaperones to take care of children and young people. Copies of these policies are in your possession. This Society has GDPR Policies in place for children/parents, members and supporters, suppliers, patrons and Trustees. The Society is already a Registered Body of Persons with Cornwall Council.

3. Finance

What is the total cost of the project?	This is almost impossible to predict as the Society is now obliged to pay Royalties on the script. However, you will see from the Accounts for the year ending 31st March 2026 that last year's expenditure was £40,214.52. It is not yet known how much the Keay Theatre will charge and as with everything else it is anticipated the cost of scenery hire, lighting, sound, SFX, materials for props and costume hire will have increased. However, the Society does make as many of its own costumes as possible. A Camel costume can cost up to £2000.00 to hire. It will cost considerably less to make. This is currently being researched. Also, the hire of radio mics and their battery packs will have increased considerably. A further expense is that the Society needs to hire a skip in order to empty out its original store at Par Docks as Imerys wants it back. This will cost in the region of £500.00
Amount of grant applied for (Up to £250) *	The Society realises that this a late application, but I was in hospital from beginning of June until end of July with a broken neck, then home for recuperation which is still taking place. Whilst grant for £250.00 would be gratefully received anything in excess of that would be wonderful. The grant we received in 2025 was £500.00
Have you previously received a grant from St Austell Town Council?	Yes
If "Yes" please indicate: **a) When** **b) Amount received** **c) For what purpose**	2014,2015,2016,2017,2018,2019,2020, 2021 (the latter being returned to the Town Council due to Covid), 2022, 2023, 2024 and 2025. 2025 £500.00)

* Should you wish to apply for a grant over £250, the Council may consider a larger grant in exceptional circumstances, but you may be asked to provide a presentation to the Town Council.

Please list any applications you have made for funding from other organisations.

Sara Gwilliams
Deputy Town Clerk

Dear Councillors

Application for Small Grant consideration for 76th Annual production of "Ali Baba and the Forty Thieves" at the Keay Theatre from 16th – 23rd January 2026

First please let me thank you all on behalf of St. Blazey Amateur Operatic Society for your continued support in recent years. It is much appreciated. Our 2026 75th anniversary production of "Sleeping Beauty" was a huge success, and we have received many wonderful comments. We have been shortlisted for several NODA and CDA awards including Best Pantomime, whilst some of our cast members have been nominated for best cast characters.

Once again, we have bought a new script which means we have to pay Royalties etc., on it. Be that as it may, we have found another good script and rehearsals have already begun with our dream team, Director Stephanie Housman, Musical Director Nigel Read and Choreographer Nicki Murphy. Tentative steps have already been taken with scenery and costume hire. Our Launch evening in August was a great success, and we welcomed prospective new members as well as previous members. Auditions have already taken place, and we now follow a rigid rehearsal schedule throughout September, October, November, December and the beginning of January leading to performances starting on 16th January to 23rd January 2026.

The Society is planning to wow audiences with spectacular surprises, laughter in abundance, musical delights and more fun than you can shake a stick at. We have many exciting ideas to make this production extra special. As we stated in our application for small grant last year, we had the added and unexpected costs of providing new storage space as IMERYS told us that we can no longer use the current space we have at Par docks. We are happy to say that this is now in place. However, Imerys now requires us to remove any rubbish that may have been left in the old store which means that we have to hire a skip costing in the region of£500.00 to £600.00.

Most of the Councillors will already know that St Blazey AOS is a Registered Body of Persons with Cornwall Council and has Chaperones inspected and approved by the Representative of Cornwall Council. It is also a registered Charity.

The Society has members who come from all sorts of backgrounds and from areas surrounding St Austell including St Blazey, Tywardreath, Par and Fowey as well as some from the Clay Villages. The majority of our cast are children and therefore for these children, full-time students, OAP's and those who are less well-off there is a concessionary membership. Ticket prices are Adults £15.00, Children £10.00, Family ticket (2 adults and 2 children) £40.00. A party booking of 20 people or over reduces the price of each ticket by £1.00. These will once again be available through ticketsource.co.uk which has already gone live.

We understand the immense value of live theatre – not just for the performances themselves, but for the confidence and personal growth it brings to the performers, especially those who are appearing on stage for the first time. We believe that rehearsals and performance encourage people from all backgrounds and help to build confidence in performance on and off stage and help develop friendships and other social attributes. A further objective is to introduce live theatre to people of all ages, to promote audience participation and enjoyment. It has long been our belief that, as stated by Craig Revell Horwood on last night's One Show, Pantomime is probably the first live theatre that children experience. As some of you probably already know several of our members have gone on to extremely successful careers in film, theatre (all aspects), and other media services.

The cast are supported by a large team of people, our unsung heroes, including backstage crew, wardrobe, make up, sound engineers, lighting engineers, theatre technicians, scenery manufacture, publicity, box office, stage crew, chaperones, child protection officer and front of house staff without whom the show would not be able to go on.

In addition to our Constitution and in accordance with Government Directive this Society has drawn up and updated GDPR Policies as follows:

- Policy for Trustees
- Policy for Members and Supporters
- Policy for Patrons
- Policy for Suppliers
- Policy for Children

Members of this Society have already held various fundraising events. The Society envisages several other fundraising events, such as quiz nights, a duck race, Bingo evenings, Karaoke Evenings, taking part in local carnivals where possible. There will be other events yet to be discussed. We are always looking at other funding opportunities.

The Society entertains approximately 2000 members of audience, some of whom come from as far as Tintagel and it still has a contingent of Cub Scouts from Plymouth which has regularly supported this Society every year since the 1960's. It even has some people who come from further afield in Devon. It cares for in the region of 125 members.

This year the Society will run 3 matineés, one on each Saturday and 1 on Sunday, in order to try to cater for the vast number of families, schools and Church Groups who regularly support our productions.

This year there will be no performance on Monday 18th January. This will give the cast etc., a break to recover from a punishing week of rehearsals, dress rehearsals and performances over the weekend. Hopefully they will come back refreshed for the Tuesday performance.

I have forwarded a copy of our Income and Expenditure for year ending 31st March 2026 plus a copy of the most recent Bank Statement

We do hope that you are able to view our application favourably and look forward to hearing from you in the not-too-distant future. However, should you require any further information please do not hesitate to contact me either by email: or on or at the address below.

Meanwhile we look forward to hearing from you in the near future.

Yours sincerely

Importance:	High

Information Classification: CONTROLLED

Good afternoon ,

I am writing to invite you to consider applying to this new small grant. As you received a Community Capacity grant previously, you are eligible to apply.

I have attached the application for your area and the guidance. It is focussed on Health & Wellbeing and is a small grant with those who receive the grant signing up to informal research later on. There is £10,000 for your Community Area Partnership and so it could be competitive. Applications will be assessed on how possible it is for the project to be delivered in time and how the activity will benefit the local community. Organisations that operate through a membership model can apply if the project reaches out to none members.

The deadline for this application is the 25rd of November to enable us to spend the funds within the timeline. It would be really helpful if you could get in touch if you are considering putting an application in, so I can gauge what might be coming in and offer support with the application.

Kind Regards

Community & Wellbeing Programme

Application Guidance

As a community organisation who has previously been successful in securing a Community Capacity Grant, you are invited to apply for a further Health and Wellbeing Grant. The grant would enable you to provide extra activity or services for your community and give us the opportunity to explore if that small investment has impacted on the health and wellbeing of those involved.

This programme is being delivered with Cornwall Public Health Prevention Funds and supports the Valuing Local Framework. The overarching goal of the funds is to help Cornwall's population to stay healthier and independent for longer. The aim of this small Health and Wellbeing Programme is to provide small grants that can potentially contribute to this.

There is a relatively small amount of funds available with the expectation will be that one or maybe two projects with be funded in each Community Area Partnership area. There is also an extremely tight timescale for spending these funds and therefore we are only considering applications from organisations that we have worked with previously. We will prioritise projects that can clearly be delivered quickly.

If you have a project idea but are not sure if it fits this programme, please get in touch to discuss it on 07896 417780

A. Organisation Details

1	Please provide the name of the organisation as was used on your previous Community Capacity application.
2	Please let us know about any changes that have been made since we communicated for the Community Capacity Programme.

B. About the Project

3	What is your project name for this piece of work?
4	Please explain what you hope to do with this grant? Please explain this as clearly as possible in your own words. Please check the 'what we cannot fund' section at the bottom of this document, appendix 1. Potential Examples 1. A community venue where somebody could be hired to carry out community development work to get more activities into the building to be run as a pilot, free to members of the public. You would need to have somebody ready to do this, such as a team member already on the pay role, who could do additional hours. 2. A programme of Health and wellbeing events such as cookery classes or yoga in a community space. Free to the public as a trial.

	3. Equipment that would enable you to run new activities for your community such as carpet bowls or pickle ball, to be used during the period of this programme. 4. A programme of free activities for your community over Christmas. This could include a Christmas party, luncheon, trip to Mousehole or somewhere else to see the lights. 5. Equipment to set up and run a film club in a community space. 6. Outside gym equipment for a playing field 7. Arts or gardening equipment to enable new clubs to be set up.
5	How have you come to the idea for this project? Maybe it is something your organisation has wanted to do for a while, or this fund might have given you an idea?
6	Please let us know how much funding you need including VAT. This programme is for grants of up to £10,000
7	Please use the drop-down box.
8	Please explain what you will spend the money on with a breakdown if needed.
9	Is this project expanding on something you have done before. We cannot fund activity that you already do. Your organisation could apply for a different project to the one funded previously through the Community Capacity Programme. If your organisation through memberships this project would need to support people beyond your members.
10	Please tell us how you feel this project might strengthen your organisation. When we come back to you after the programme, we are keen to know how this grant has benefitted your organisation.
11	Please tell us how you think your project might improve the health and wellbeing of individuals in your community.
12	Looking at the action plan for the Community Area Partnership, is your project likely to contribute to one or more of the themes in some way? Please explain how.
13	Please explain who you are planning to work with. This might be somebody you are looking to hire to deliver activities for you. It might be that you want to work with another community organisation to deliver a project.
14	Please confirm that you have understood that this is a programme will be explored afterwards for research.
15	The timescales for spending these funds are exceptionally tight. We apologise for that. Please explain how you would be able to spend the funds by the end of February and deliver the activity by the end of March 2027. Please give us some information to help us understand how you would be able to do this.

C. Supporting Documents

16	Please send us quotes for the work you plan to carry out or weblinks if that is possible.

D. Declaration & Signature:

17.	Please complete the declaration signature & date. An electronic signature is sufficient. This can be done by taking a photo of your written signature and then saving it as a picture. Or you can type you name into the box. If any conflicts of interest are brought to light after you have received your grant you may be required to repay it back if these have not been declared prior to project approval or during the procurement process.

E. Privacy Notice & Declaration

18.	Please complete this section ticking each box to show that you have read and understood each point and given the relevant permissions. The privacy notice can be seen at the bottom of the application form appendix 2. An electronic signature is sufficient.

Please now save the form using the name of your project and send it along with any supporting documents to ccf@cornwall.gov.uk. Due to tight timescales the deadline for these funds is 25th of November.

Extra Support

As well as this fund there are guidance notes freely available on our webpage here.

The Community Capacity Team has Facebook and are keen to celebrate successful applications and projects. Please contact us if you require support with your publicity

Appendix 1 'What we can't fund':

1. Work which has already been commissioned, started or completed.
2. Running costs for ongoing activities, i.e. activity which is considered 'business as usual' for your organisation. Activities need to be an extension or new.
3. Marketing costs inc. branding, website set-up and running costs.
4. Set up costs for organisations.
5. Tax-funded projects, such as projects within the NHS or schools, that you would expect to be funded as public services.
6. Activities which are political or religious in intention, practice or appearance.
7. Activities already funded by another organisation, unless it is clearly an extension or new piece of work
8. Loan repayments.
9. Contingency or unspecified costs.
10. Fundraising costs including bid writing.
11. Grants cannot be provided purely for Match Funding or third-party contributions.
12. Second hand electrical or mechanical equipment.
13. This is a revenue only programme and cannot fund capital works.
14. Membership organisations where the project will only benefit those members.

Information Classification: CONTROLLED

Dear David Pooley,

Notification relating to a property asset in your town/parish: Hut at Tregonissey Play Group, Tregonissey Close, St Austell

I've attached for your consideration a report regarding the above Council asset, which is situated in your town/parish.

Why are we contacting you?

The Council service responsible for the asset has determined that it no longer has an operational need to retain it. In these circumstances, the Council needs to consider the future of the asset, according to an established process.

The first step is to consider whether any other Council service requires the asset for operational purposes. If no such internal use is identified, alternative options may be considered, which include (but are not limited to):

(i) Examining the potential to transfer the asset to a local council or community group where service delivery will be maintained or improved, or alternative community benefit is identified, as part of the Council's devolution programme.

(ii) Disposal of the asset. If disposal is pursued, this may be via sale or lease on the open market or a range of other transfer options. This could include an option to sell or lease the asset to a local council or community group, where this is appropriate.

In the case of the above asset, no requirement for Cornwall Council to retain the asset has been identified.

The local Cornwall Councillor and Council officers have already been consulted as part of Cornwall Council's asset release process for their views.

Before Cornwall Council commences activity to dispose of the asset, we want to engage with your council to ensure that you have had the opportunity to provide any views that you may wish to express. The Council has a legal duty to obtain best consideration when disposing of its property, therefore any transfer to a local council at lower than Market Value would need a justifcation to consider this as an option.

Please could you let us know within eight weeks of the date of this email if your council would have any interest in this asset. Your response will enable Cornwall Council to understand your Council's interest before we take further actions.

It would be appreciated if you could respond using the form below, even if it is to indicate that your council has no interest in the asset.

If no response is received by this deadline date, it will be assumed that your council has no interest and it is likely that Cornwall Council would then proceed with activity to dispose of the asset.

What happens next?

(i) If your council has no interest in the property, please use the form below to confirm that this is the case.

(ii) If you would like to express interest in the asset, please confirm this by the deadline and include a brief explanation of the intended use of the asset in the form below. Where in exceptional circumstances additional time is required to enable your council to meet to make a decision on this matter, please let us know before the consultation deadline expires and confirm the date by which you will be able to respond.

Please provide your comments/queries below and email back to me (sadik.miah@cornwall.gov.uk):

Question	Response
Does your town/parish council have an interest in the asset?	*Please delete as applicable:* **The town/parish council has an interest in the asset YES/NO**
Please provide some brief details regarding the likely future use of the asset by your council.	*Please briefly comment below*

Thanks

Cornwall Anti-Social Behaviour Strategy 2027-2030

SAFER CORNWALL
Kernow Salwa

How we got here

Stakeholder Consultation → Evidence Review → 4 Key Partner Workshops → Legislation Review → Begin Producing Strategy

What the data tells us

340 people contacted in relation to being affected by ASB

47 properties / locations of concern reported

374 adults engaged with this year

172 young people engaged with this year

Approximately 7300 Police recorded ASB Incidents*

What Success Looks Like

- ✓ Housing, health and community safety partners work closer together
- ✓ Emerging ASB issues are identified early
- ✓ Fewer individuals and locations experience repeat ASB
- ✓ Victims feel heard, supported and informed
- ✓ Mediation is routinely considered and utilised where appropriate
- ✓ Council services use ASB powers confidently and collaboratively
- ✓ Residents understand what ASB is and know how and where to report it
- ✓ Young people's experiences and perspectives help shape local responses
- ✓ Communities feel confident that their report matters

How will we do it?

1. Partnership Working

- Co-ordinated responses across agencies when dealing with complex ASB cases
- Strengthen working with Housing, Health, Social Care
- Start a Countywide ASB learning Group to ensure consistency
- More partnership visibility in the community
- Reflective Learning Practice
- Increased partnerships with and between schools

2. Prevention & Early Intervention

- Earlier identification and intervention for Young People
- Assertive Outreach to link young people in with their community more
- Young persons outreach workers specalizing in drugs and alcohol
- Make better use of community assets e.g., youth clubs and community centres
- Embed Trauma Informed Practice
- Training to accommodation providers on substance use

3. Problem Solving

- Address root causes of ASB such as trauma, drug and alcohol use, and mental health
- Consider Environmental factors e.g., the way our public spaces are designed
- Make full use of enforcement powers consistently across the county
- Take a person-centred approach to perpetrators to stop reoffending
- Review our Public Spaces Protection Orders to ensure they are fit for purpose
- Be ready for the new legislation coming in Oct 2026 including Respect Orders

4. Victims

- Increase our use of Mediation services
- Introduce Victim Risk Assessments
- Continue to utilize Closure Orders
- Improve outcomes of Case Reviews
- Use our powers to protect victims of domestic abuse
- Use our powers to protect victims of hate crime

5. Engagement & Communication

- Support the national ASB Awareness Week campaign
- Conduct regular Engagement Events such as drop-ins and surgeries
- Update our ASB info Webpages
- Rollout reporting platforms across businesses (UKPAC/SentrySIS)
- Ensure Reporting Mechanisms are simple to use
