C/26/30) Office/Depot Accommodation

The Clerk provided background information on the Town Council's office/depot accommodation and the discussions held to date with regard to its future accommodation needs when the lease at the Stable Block expires.

The Clerk explained that within the last few days, a tender opportunity has arisen for the Mount Charles Social Club which due to its central location in the parish, size and the condition of the building, grounds and parking is an opportunity that needs serious consideration.

The Clerk offered Councillors Gray and Nott the opportunity to explain their alternative proposal which had been circulated to Members.

Councillor Gray advised that their suggestion was not a proposal but a request not to rush into a tender for the Mount Charles Social Club but to create a Working Group to look at alternatives such as the Market House.

Councillor Gray put a proposal forward that a Working Group be set up to consider alternative buildings or sites.

Following a review of the sales brochure of the Mount Charles Social Club site and a discussion on the financial implications for the Town Council, Members raised the following:

- Sites like this do not come up very often and that the Town Council should take the opportunity and put a tender in for the site;
- The advantages of the office and grounds team being co-located on one site;
- The potential for the Town Council to allow the community to use the building as a meeting space or for events/parties;
- Having its own freehold premises would be a financially better solution for the Town Council;

Members agreed that the suggested tender price and overall budget for the purchase, refurbishment, running costs and maintenance of the building put forward by the Town Clerk was reasonable and realistic and that a tender for the site should be submitted in the sum of £175,050 (one hundred and seventy five thousand and fifty pounds).

Councillor Gray withdrew his proposal for a Working Group to be set up.

It was **RESOLVED** unanimously to authorise the Town Clerk to submit a tender for the Mount Charles Social Club in the sum of £175,050 (one hundred and seventy five thousand and fifty pounds), stressing the community benefits that the Town Council would wish to bring to the site.

It was **FURTHER RESOLVED** that the Clerk, in consultation with the Mayor, would issue a press release if necessary at an appropriate time.
