C/26/54) Mayor's announcements

The Mayor advised that his Mayoral engagements had been quiet over the last few weeks, but he had attended an Active Cornwall Leadership course with the Deputy Mayor which was interesting. He added that on Saturday he is due to judge the Bake-Off competition at the Market House and attend a Stage Theatre Art production of Frozen.

C/26/55) Public Participation

There were no members of the public at the meeting.

C/26/56) Cornwall Council Streetlight Initiative – (Final Phase of dimming/switch off)

The Clerk advised that Cornwall Council has finalised its final phase of dimming/switching off of streetlights in various locations across Cornwall and referred Councillors to the interactive map on Cornwall Council's website. He advised the following:

- The purple dots indicate that the lights will be switched off from midnight to 5am Sunday to Thursday and dimmed on Friday and Saturday between midnight and 5am.
- The pink dots indicate that the lights will be switched off from midnight to 5am seven days a week.
- The streetlights in St Austell town centre will not be affected.

The Clerk advised that Redruth Town Council has objected to the switching off/dimming of lights in their town. He added that the switching off/dimming of streetlights appears to run against the Police initiative to end violence against women in the evening/night-time economy (Project Night Eye).

Arising from a question, the Clerk confirmed that in early June he had received a draft of the proposals from Cornwall Council but was asked not to share it. At the beginning of August Cornwall Council advised that the public facing map had been finalised.

During discussion, the following comments/issues were raised:

- Disappointment that Town and Parish Councils and the public were not formally consulted on the matter;
- The severe ASB in Charlestown and Carlyon Bay;
- The potential for doorbell cameras not to work if they are recording in the darkness;
- The potential for more thefts and burglaries in residential areas that will be in darkness;
- Darkness is good to help people sleep better and is better for the environment;
- Concern for the safety of people walking home after a night out or walking to and from work (shift workers);
- Concern for the safety of vulnerable people.

It was **RESOLVED** to object to the streetlights being switched off or dimmed in St Austell and the surrounding areas as indicated on the final map due to the well-known ASB and crime issues in this area and the strong likelihood that ASB and crime will increase as a result of the additional periods of darkness. Members were particularly concerned about the safety of vulnerable people including women and children.

This was carried by 10 votes to 2

It was **FURTHER RESOLVED** to instruct the Clerk to write to Cornwall Council to complain about the lack of transparency and inadequacy of the consultation with Town and Parish Councils and the public in relation to this initiative and to seek an apology.

This was carried unanimously

C/26/57) Planning and Regeneration Committee

C/26/64) Office accommodation/depot
